Dear Sir:

A most pleasant greeting from the **International Youth Fellowship (IYF) and International Mind Education Institute (IYF-IMEI)**, a non-stock and non-profit educational institution based in Korea which offers a three-day mind education training for teachers around the country. IYF-IMEI Mind Lectures provide the clear analysis of the heart, desire, self-control, isolation, exchange, wisdom and the world of the heart which proposes solutions to people who live in a materialistically abundant 21<sup>st</sup> century, however cannot control their hearts and grieve due to unseen pain and depression, and to those who are confuse and experience conflicts in a rapidly changing world with intense competition. The purpose of this event is to revolutionize the idea of leadership by focusing on the importance of having leader's heart as an educator, being aware of relevant issues in the country which affect student's education. We believe that addressing these issues will create the caliber of a leader and educator that is best equip to lead future generations and have a positive impact on society.

For the past seven years, together with the International Mind Education Institute (IMEI) and government offices like the Department of Education and Local Government Units, we have been implementing the Mind Education in different places with many attendees, which include professionals, principals, teachers, students and youths, even person who used drugs. We are grateful to say that Mind Education is an effective platform for mind setting and inculcating character development and transformational leadership. Indeed, Mind Education is a good approach that IYF-IMEI can offer to help towards building a stable and peaceful society for the Filipino people by way of establishing sound character formation and strong foundation in leading the country.

In this foregoing, we will be deeply honored if we will have a chance to conduct this year of 2019 International Mind Education Specialist Training (IMEST) here in your region 1. Thus, we would like to request from your good office to make this program happen by gracing our International Seminar mentioned above with your endorsement thru memorandum. Kindly note that there is a minimal seminar's fee of Three Thousand Pesos (Php 3,000) inclusive of 7<sup>th</sup> time best seller Mind Education Textbook entitled "WHO ARE YOU WHO IS DRAGGING ME", Guide Book, International Certificate with PRC Units, Food and seat reservation.

Benefits of the said event:
