

DEPARTMENT OF SCIENCE AND TECHNOLOGY
ILOCOS SUR SCIENCE AND TECHNOLOGY CENTER

26 September 2019

JORGE M. REINANTE, CSEE, CEO VI, CESO V
Schools Division Superintendent, DepEd – Ilocos Sur Division
Zone V, Bantay, Ilocos Sur 2727

Dear Sir:

Greetings!

The Department of Science and Technology (DOST) is supporting the development of future inventors among the youth through the conduct of workshops that teach them to craft solutions to solve the country's pressing concerns.

The DOST Region I and the Technology Application and Promotion Institute (TAPI) in cooperation with the City Government of Candon City will be conducting the **"Invent School Program (ISP) for Elementary Pupils"** on **October 16, 2019 at the ABC Session Hall, Candon City Hall, Candon City, Ilocos Sur.**

The ISP for Elementary Pupils is a half day seminar-workshop for elementary pupils from selected public and private schools. The activity aims to enhance the interest of the participants in science, technology and innovation as well as to boost their critical thinking and innovativeness in developing their skills and perseverance to become future researchers and innovators.

In this regard, may we invite pupils and science teachers from the following schools in your division to participate in the said activity.

Name of School	Time	No. of Pupil-participant	No. of Teacher-participant
1. Santiago South Central School	8:00AM-12:00NN	3	1
2. Sta. Cruz Institute	8:00AM-12:00NN	3	1
3. Narvacan Catholic School, Inc.	1:00PM-5:00PM	4	1
Total		10	3

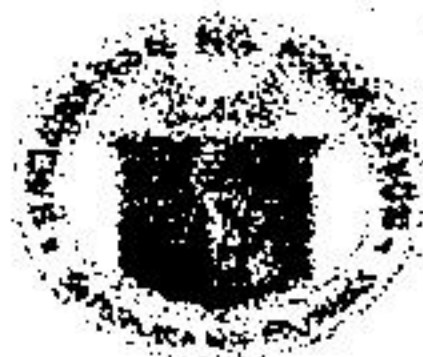

This seminar-workshop is free of charge. However, transportation expenses in going to the venue shall be shouldered by the participants.

Likewise, we have the honor to invite you to come and visit the 2019 Regional Invention Contest & Exhibits at the Candon Civic Center, Candon City, Ilocos Sur on October 15-17.

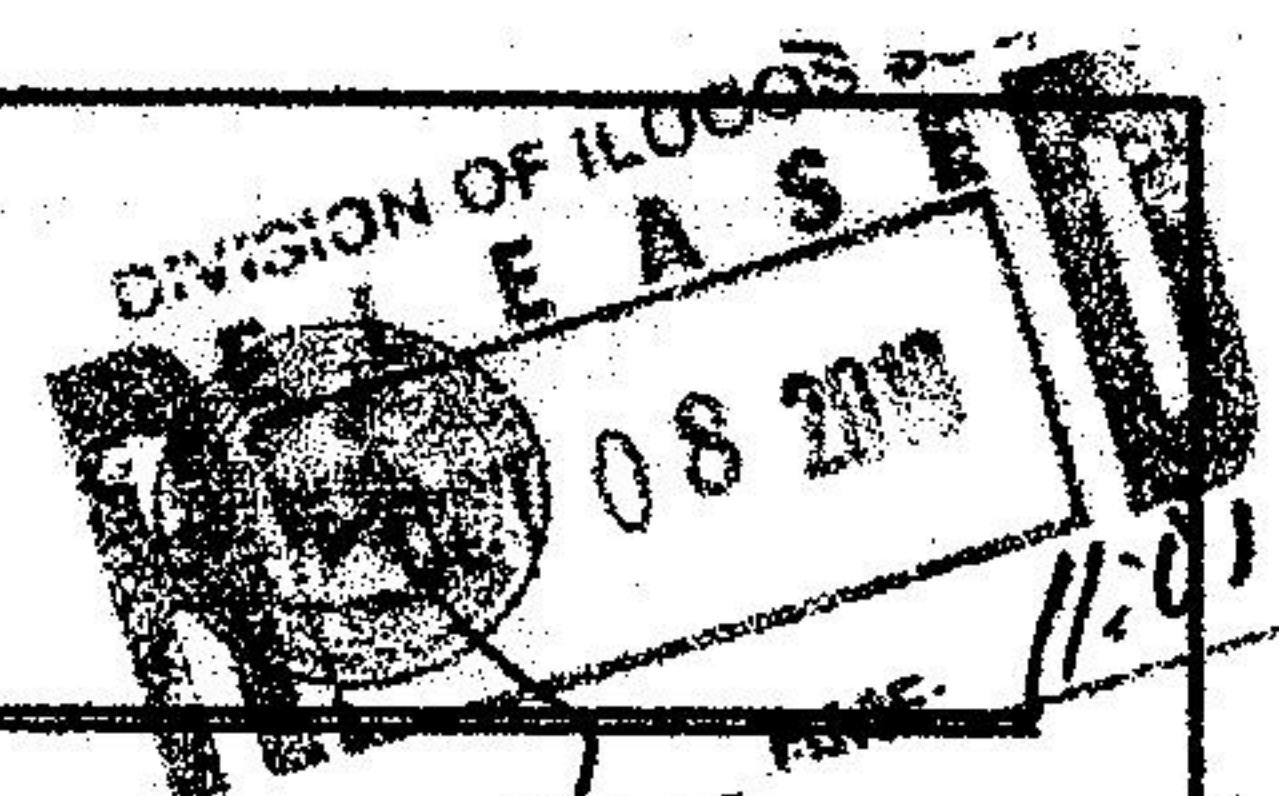

We are looking forward to your favorable action on this request and thanking you in advance for being part of this event.

Very truly yours,

RAMON S. SUMABAT
Provincial S&T Director
