Dear Sir:

This refers to the implementation of the Comprehensive Social Benefit Program (CSBP) for the AFP/PNP Battle/Duty Casualties and their dependents.

In the previous year of program implementation, the gathering and documentation of success stories were conducted wherein we have identified beneficiaries who have invested the Special Financial Assistance (SFA) money they received from the CSBP in a profitable business venture. With this, the purpose of the program for swift and sustainable support system for the families left behind by our fallen heroes has been attained and successfully implemented.

In this regard, may we request from your good office to continue conducting the gathering and documentation of Success Stories for CSBP KIA/KIPO Beneficiaries on Audio-Visual Presentation format to check and assess the effectiveness of the SFA and Capacity – Building Training that we have provided to them for their sustainability.

We will highly appreciate receiving outputs from your good office on or before December 10, 2019 through our email at dilg_r1@yahoo.com. For any related queries, please contact Sety Zorayda S. Perez, DILG Regional Focal Person at 0917 832 6087 or (072) 607 4470.

Thank you.

Very truly yours,

JAMES F. FADRILAN, CESO III
Regional Director
